Then this programme could kick start the rest of your life!

Specially developed by Sportiv8 giving you the opportunity to sample and benefit from the best practices developed by the leading sports and IT bodies in the UK. The course is delivered in conjunction with **Chelsea Football Club, Football In The Community Scheme** allowing you access to great facilities, experienced coaches and qualified mentors.

This exciting programme open to 16-18 year olds starts with guidance and assistance in helping you make the right choices and decisions.

Ultimately, these could be further learning, an apprenticeship, work placement or a job.

What the course will do is give you the experience and knowledge in a fun and motivational environment allowing you to make the decision!

During the 16 week course you will learn the practical skills and knowledge required by sport and leisure employers supported by a qualification. It also gives you the tools allowing you to communicate your skills and knowledge.

Where you progress to does not have to be in Sport or Leisure but the disciplines and knowledge gained will make you fit for where you decide to go!

Whilst on the programme you will receive £30 Educational Maintenance Allowance per week with a possible bonus at the end of the course. A travel allowance where necessary is available too.
